If you run regularly?

Sorgen compression calf sleeves and socks (20-30 mmHg)

CAN BE A GAME CHANGER!

Key Benefits for Runners:

◆ Improves circulation

Helps increase blood flow, delivering more oxygen to your muscles, which can delay fatigue on long runs.

◆ Reduces muscle fatigue

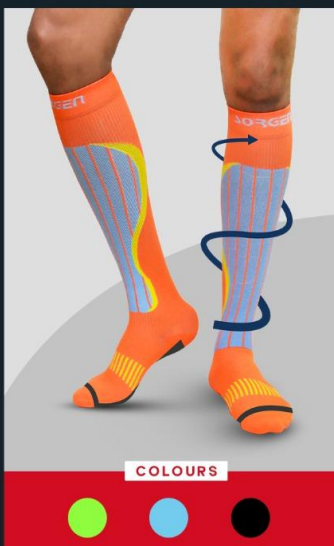

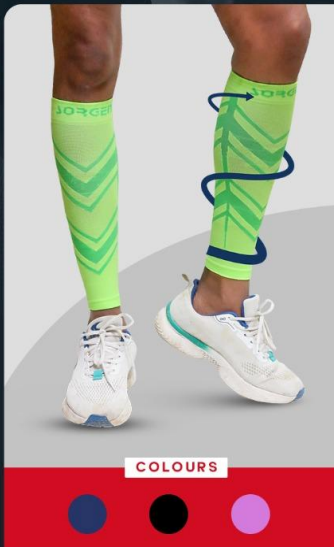

Less strain on your calves means you can run longer with reduced muscle soreness.

◆ Speeds up recovery

Helps flush out lactic acid, reducing post-run soreness and making back-to-back training sessions easier.

◆ Prevents cramps & swelling

Especially useful for longer distances and intense workouts.

Why Sorgen?

- ✓ Scientifically proven graduated compression level (20-30 mm Hg)
- ✓ Breathable & Moisture-Wicking Fabrics (Copper/Bamboo infusions)
- ✓ Better Durability
- ✓ Easy to Wear

Sorgen is loved by runners across India for its comfort, performance, and recovery benefits!
